

A TRIBUTE IN HONOR OF DONALD KENNEDY, PH.D. ON THE OCCASION OF HIS 80TH BIRTHDAY

**HON. ANNA G. ESHOO**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, July 13, 2011*

Ms. ESHOO. Mr. Speaker, I rise to honor Donald Kennedy, Ph.D., a highly distinguished American and treasured friend on his 80th birthday.

Dr. Kennedy was born in New York on August 18, 1931. He earned his A.B. and Ph.D. degrees in biology from Harvard University, but left the East to spend his academic career at Stanford University, a jewel in the crown of the 14th Congressional District. He joined Stanford in 1960 and was named Chair of the Department of Biology in 1964. In 1972, he became the Director of the Program in Human Biology, where he served until 1977.

In 1977, Don Kennedy was appointed Commissioner of the Food and Drug Administration by Health Education and Welfare Secretary Joseph Califano. After giving our nation the benefit of his wisdom and considerable talents at the FDA, he returned to Stanford in 1979 and succeeded Richard Lyman as President of the University in 1980. He served with dignity and distinction until his resignation in 1991. He was Editor-in-Chief of *Science* from 2000 to 2008, and is now the Bing Professor of Environmental Science and President Emeritus of Stanford.

I've been privileged to know Don Kennedy for many years. He has been a friend, a mentor, and an inspiration to me and to thousands more. Generations of students have been the beneficiaries of his wise counsel and his scientific knowledge. We've been blessed with his ability to see the 'big picture' and to make connections across disciplines. His early attention to the health consequences of environmental degradation was visionary and his commitment to changing policies to benefit the health of our planet is nothing short of extraordinary.

Mr. Speaker, I ask the entire House of Representatives to join me in wishing Don Kennedy, a patriot in the highest sense of the word, a joyful, family and friend-filled 80th birthday. May this milestone be just the beginning of more productive, creative and prolific decades. Don Kennedy is indeed a national treasure and it is a privilege to represent him and his wonderful wife Robin, and call them my friends.

RECOGNIZING LAUREN CHANG OF BURKE, VA

**HON. GERALD E. CONNOLLY**

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, July 13, 2011*

Mr. CONNOLLY of Virginia. Mr. Speaker, I rise to recognize Lauren Chang of Burke, Va., for her participation in the People to People World Leadership Summit in Washington, D.C.

People to People offers young leaders the opportunity to grow educationally while expos-

ing them to new cultures. Founded in 1956 under the auspices of the Eisenhower Administration, People to People has continuously enjoyed Presidential support for its mission of instilling our nation's next generation of leaders with the international experience they will need to succeed in an increasingly global society and economy.

Lauren's acceptance to the program is no small accomplishment. Academically selective, the program is built for the brightest students in the nation. From June 30–July 6, Lauren participated in numerous educational activities in the Washington, D.C., area, all of which were focused on leadership development. Lauren and her fellow participants gained access to areas of American government rarely seen at such a young age, and that experience will serve her well in her studies.

Mr. Speaker, I ask my colleagues to join me in recognizing Lauren Chang and wishing her continued success in the future.
